HeartCode® ACLS & BLS

AHA/ACLS computer/web-based Certification program

- e-Learning
- Self-directed
- e-Simulation
- Self-paced

PART I:

- This is not an instructor led course.
- HeartCode® ACLS and BLS Online is a self-directed, comprehensive eLearning program that uses adaptive learning technology to allow learners to acquire and demonstrate Cardiac Life Support skills using a personalized learning path that adapts in real time to a learner's performance.
- The program is designed for healthcare professionals who need Basic Life Support or Advanced Cardiac Life Support training for their clinical duties. HeartCode® BLS Online consists of a cognitive portion that is completed online. HeartCode® 2025 Online consists of a cognitive portion that is completed online.
- Multiple choice exam with passing score of 84%.

PART II:

- Contact SimTiki to schedule after Part I is complete
- Complete CPR skills via a CPR manikin at SimTiki.
- eCard available from the HeartCode system upon completing Part II

Course Materials:

- Provider Manual Accessible online for 2 years
- 2020 Handbook of Emergency Cardiovascular Care.

Technical Requirements:

<https://elearning.heart.org/static/technicalspecs>
